Visitation will be held 1-8 p.m., Tuesday, February 12, 2019 at the Inola Funeral Home & Crematory with the family greeting friends from 6-8 p.m.

Jane passed from her earthly life and into her heavenly home on Thursday, February 7, 2019 at the age of 77.

The daughter of Ralph and Mary 'Lib' Ganner Spurlock was born February 20th, 1941 in Pryor, Oklahoma. As a young girl, Jane spent her childhood in and around the Inola area. She attended Inola schools, graduating as a member of the class of 1959. It was during her high school years that she met Bert Stout. They became high school sweethearts, and married on November 5, 1959, and the newlywed couple continued living in the Inola area. During the first few years of their marriage, Jane worked as a book keeper at the Children's Medical Center in Tulsa while Bert furthered his education. After the birth of their first child, Mark, Jane decided to stay at home and focus on her family. Years later, Jane saw a need at her church for someone to perform custodial services, this eventually led her to forming Stout's Cleaning Service. Jane saw another opportunity to serve in her church by organizing Silver Halo's, which provided a meal once a month to retired individuals and allowed them to gather and have fellowship, arts, crafts, and day trips around the area.

Jane devoted her time to helping others and loved working with the children and babies in her church's nursery by serving as a Sunday School teacher. Jane truly saw it as her calling to minister to others around her in their time of need and heartache, and served as the church's Bereavement Coordinator for many years, a role that she just recently passed along to allow others to serve. Another love of Jane's was spending time with her family. She worked diligently to cook Sunday dinners for her family, as well as organize holiday get-togethers. Jane cherished these opportunities to show her family love through acts of service and quality time spent together. Her other hobbies included sewing and cooking.

She utilized these hobbies to serve others by hand-making aprons, children's clothing, baby blankets, and other items that would be useful to new mothers.

She is preceded in death by her parents Ralph and Mary 'Lib' Spurlock, son, Mark Stout, and siblings, Linda Baldrige and Butch Spurlock.

Survivors include her husband Bert; son, James Stout; daughter, Susan Reed and husband Eric, daughter-in-law, Amy Ingersoll; grandchildren, Audrey and Chandler Stout, Landon and Logan Reed and Cora Ingersoll; sisters, Loretta Best and husband Virgil, and Sharon Burgett and husband Charlie as well as many other extended family and friends.

“ I knew Jane through Inola First Baptist Church. I would attend when visiting the church while Tom Smart was a part of the pastoral staff (until November 2018). I always looked forward to seeing her and visiting with her while she was working in the nursery and being a part of the small group fellowships when held at Tom and Missy's home. She always was interested in my life and of course the way she showed love for our son and his family (even by ironing my son's shirts for church). She was a treasure and truly showed love like we are supposed to do as Christians. She will be missed greatly at First Baptist and all the other places she served. I will always remember her with fond memories and the way she showed the love of Jesus to so many. We will meet again.

“ Jane was one of the most caring and classy women I have ever been around. It will take a long time to realize each Sunday that she is not here. If anyone ever had a gift of giving it was Jane. It would be neat to know how many people heard from her , what can I do for you or I am going to do this for you or here is something I just made for you. I know that number would be huge! Heaven is lucky to have you. Will miss you Mrs. Jane!

“ Love Jane dearly. I was honored to get to work with her these past few years and learn from a pro. She had a servant's heart and loved her family dearly. She will be missed but she is in the presence of God now and I can think of nothing more fitting. I will always be thankful for our time in the kitchen.

“ My dear Friend - In driving home today from a long trip, I was heartbroken to receive a call from our friend, Charlotte, telling me of your passing. My tears could not be stopped for some time. We have so many treasured memories from our youth, and in our adult years. Jane, I never expected to lose you.

As you, Sharon, and Charlotte were here for my son's services, I will do my best to be there for you at yours.

Love,

“ Bert and family, So sad to hear of Janes's passing. I can remember when she watched my sisters and me. (I was too old to be babu sat). Jane had influence on everyone she encountered. Organized, stern, loving, kind and funny. Wish I could be there for her service but know I am reflecting.

“ Jane was one of the nicest people I've ever known...always sweet and smiling. She was one of the earliest baby sitters that Dale, Perry, and I had other than family...and as we were growing up just about a mile away, Ralph and Lib and the girls were wonderful neighbors and friends. She will be extremely missed by all of us.
